Valiant Organics Limited

About Us:

Valiant Organics Limited ('the Company') is a specialty chemicals manufacturer in India with a legacy of more than 3 decades. Backed by rich management experience and deep domain knowledge coupled with robust business model and competitive advantages, the Company has been constantly manufacturing and supplying specialty chemicals in both domestic and international markets. The specialty chemicals produced by the Company finds downstream application across various sectors such as agrochemical, pharmaceutical, and dyes and pigment industries, and veterinary drugs manufacturing. Further, with the help of the strong R&D team, the Company has not only created a diverse and strong portfolio but also ensured the quality of the products are up to the mark. In addition to a pan-India presence, the Company also exports to countries such as Asia, Europe, and US. The Company has six integrated manufacturing facilities spread across Gujarat and Maharashtra wherein it produces superior quality specialty chemicals.
